## **THE AWPGA NEEDS YOUR HELP!!!!!!**

Volunteers are what make the AWPGA run. If you could spare a few hours a month, could you please consider contacting Jim Carpenter, your AWPGA president to talk about helping with the following positions. Contact Jim at [jcarpen323@wildblue.net](mailto:jcarpen323@wildblue.net)

**AWPGA NEW MEMBER WELCOME PACKET COORDINATOR** – Each new AWPGA member receives a welcome packet including a welcome letter, a Griffonnier, an AWPGA directory and a AWPGA decal. Periodically you will receive the name and address of a new member. Just address an envelope and mail it out. You are reimbursed for your supplies and postage. Help be a part of welcoming our new members!

**AWPGA NEW PUPPY INVITATION PACKET COORDINATOR** – The AWPGA has a new membership program for breeder referral list members and the AWPGA needs a coordinator for the program. Mail the new puppy owner packets to breeders when they request them. This is usually a twice a year happening when puppies are ready to go to their new owners. All materials and postage will be reimbursed by the AWPGA. Help invite new puppy owners to join the AWPGA.

**AWPGA GRIFFONNIER ADVERTISING MANAGER** – Be the “go to” person for advertising in the Griffonnier. You will handle inquiries, send ad specs, and manage page placement. No prior experience necessary. Be part of the Griffonnier staff.

**AWPGA GRIFFONNIER PRIZES, TITLES AND AWARDS MANAGER** – You will be the person with all the info. You will edit the AKC and NAVHDA reports as well as be the person to contact for reporting Group Placements and other special recognition. Also, the Griffonnier is looking to expand its title reporting to UKC titles including our Griff involvement in HRC. So, be the first to know and to report all this great information to the members.

**AWPGA GRIFFONNIER COORDINATOR** – The AWPGA Regional Representatives and Committee Chairs have the opportunity every issue to submit articles and reports to the Griffonnier. But like all of us they greatly appreciate reminders of due dates and where to send their articles. You will be coordinating getting all these articles. It's making a list and checking it twice to make sure everyone gets their articles in on time.
